

Funded trips to Berlin for secondary pupils 2015

Do you have pupils who are interested in discovering Berlin? UK-German Connection are offering a funded trip for pupils in Year 8 (England and Wales) / S1 (Scotland) / Year 9 (Northern Ireland), in conjunction with the German National Tourist Office.

The Discover Germany! trip will take place in Berlin from 2–5 July 2015, and the theme will be 'accessible travel and culture'. Schools can apply in clusters of (up to) six participants. Pupils do not need to be learning German to take part but should have an interest in Germany and its culture.

The application deadline is 26 March 2015.

Further details and the application form are available at:
